DogSure™ Food Supplement for Dogs 3+ Years of Age

DogSure is a completely balanced liquid nutritional diet that has what dogs need to make the most of their golden years.

- High quality protein and amino acids adjusted for better utilization.
- Healthy levels of Omega 3 and 6 fatty acids.
- Contains flaxseed oil, a great source of DHA.
- Made from milk proteins (no lactose). Easy to digest.
- Vanilla flavor gives superior palatability which encourages voluntary consumption to support necessary fluid intake.

Directions for Use

Shake well. Serve at room temperature or warm slightly. Cover and refrigerate after opening. Discard if not used within 72 hours. May be frozen in single serving size containers and then placed in airtight containers for freezer storage for up to 6 weeks.

Suggested Feeding Amount When Used As A

Supplement: Toy dogs (3 – 12 lbs): 2 – 4 ounces daily; Small Dogs (13 – 25 lbs): 4 – 8 ounces daily; Medium dogs (26 – 50 lbs): 6 – 12 ounces daily; Large Dogs (51 – 100 lbs): 16 – 24 ounces daily; Giant dogs (100+ lbs): 18 – 24 ounces daily. Feed as a supplement with regular diet. May be fed separately or mixed with food to increase palatability. Twice daily feeding is recommended. Amounts and feeding frequency may be adjusted to maintain body weight.
